SHORT STORIES OF THE CITY

Trial Continued—The trial of Henry Block, charged with the embezzlement of a diamond, came up in Judge Thomas' court yesterday and a continuance was taken as the defendant was not ready for trial. Block secured bail last evening and was released from jail.

Starts New Duties—H. F. Blevins, the new supervisor of streets, assumed his new duties yesterday morning, relieving R. G. Goodwin, who resigned. Floyd made a good start and he will undoubtedly make an excellent street supervisor. No appointment has as yet been made to fill his place on the city police force.

Recovers from Operation—John Sikes, who was recently operated on for appendicitis at the Old Dominion hospital has so far recovered that he will be discharged from the hospital this morning.

Accident at Smelter—Standish Mills, who is employed as a crane man at the Old Dominion smelter, is laid up with a badly dislocated shoulder, which he received from a fall while at work Sunday night.

Goes After Witnesses—Sheriff J. H. Thompson left Sunday morning for Roosevelt and Cline to summon witnesses for the Cline hearing, which will probably be held next Monday in Judge Rawlings' court. He expects to return home about Thursday.

A New Arrival—George W. Monroe, assistant car inspector of the Gila Valley road, is rejoicing over the arrival of a baby daughter, which came Sunday night.

Court Saturday—There will be a session of the district court next Saturday, when a number of divorce cases recently filed, will be tried. No cases have been set for that date, but it is expected that a number of them will be called for trial by the attorneys.

Exciting Runaway—A team attached to one of Barclay, Higdon & Co.'s heavy drays became frightened Sunday night while standing in front of the Dreamland theater, and bolted down the street. They were stopped on Broad street before much damage was done.

Released on a Writ—Judge Nave ordered the release from custody last evening of F. H. Wiggins of Clifton on a writ of habeas corpus. Wiggins has been under bond awaiting trial on an embezzlement charge, the complaining witness being a mercantile establishment of Clifton. Recently one of his bondsmen asked to be released and the habeas corpus proceedings were instituted. Wiggins was accompanied by his attorney Frank B. Laine of Clifton.

Going East—Miss Achenbach leaves this morning for the east, to purchase spring millinery and new fixtures for her store. While away her place will be remodeled and not open to customers. On her return the opening date will be announced.

Arthur Nelson's Funeral—Obsequies over the remains of Arthur Nelson, the young man who died at Globe recently of injuries received a short time before in a mine, occurred yesterday afternoon at 4 o'clock from the parlors of the Douglas Undertaking company on Eleventh street. Services were conducted by Rev. A. B. Carpenter, pastor of the Christian church. The deceased was a native of Sweden and was not more than twenty-three years of age. Four cousins, two of whom are Pete and Oscar Nelson of this city, are the only near relatives in this country. The funeral was among the best attended that has ever occurred in this city, scores of friends of the deceased and his relatives being present at the last rites as a tribute of respect to his memory.—Douglas Dispatch.

Continuance in the LOCAL PERJURY CASES

The date of further hearing of arguments in the demurrer to the indictments found by the last federal grand jury against officials and employees of the Old Dominion company for complicity in the alleged land frauds in New Mexico has been changed from February 10 to March 9. The date was advanced by Judge F. S. Nave on receipt of a stipulation signed by Attorneys Hawkins & Franklin for the defendants and United States Attorney J. L. B. Alexander for the government.

CARRIE NATION

certainly smashed a hole in the bar-room of Kansas, but Ballard's Horehound Syrup has smashed all records as a cure for coughs, Bronchitis, Influenza and all pulmonary diseases. T. C. H., Horton, Kansas, writes: "I have never found a medicine that would cure a cough so quickly as Ballard's Horehound Syrup. I have used it for years." Sold by Palace Pharmacy.

The finest Coffee Substitute ever made, also recently been produced by Dr. Shoop, of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute" says the doctor. "Health Coffee" is really the closest Coffee Imitation ever yet produced. Not a grain of real Coffee in it made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for Coffee. Sold by Moorehead & Lunn.

If a cough gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by Hanna's drug store, 228 Broad St.

When the Stomach, Heart or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Sold by Palace and Globe Pharmacies.

Look Out for Arbor Day.

Three hundred cottonwoods fresh from the trees, length from six to sixteen feet; prices five to forty cents each, at Fred H. Golden's, 977 North Broad street.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babes. The wholesome green leaves and tender stems of a long-healing maintenance shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb". Always demand Dr. Shoop's Cough Cure. Sold by Palace and Globe Pharmacies.
